- Installation Day-** Pay your balance the day before via EFT or pay by Credit card or cash on the day.

Congratulations,

You have Surveillance to protect your Business and Stock, Family and Home.

## WHO IS DAHUA

Dahua is a leading global video surveillance provider  
with high quality products and the latest  
CCTV and security technologies

## TERMS & CONDITIONS

- 10% Deposit required at time of booking with balance payable prior to or day of installation
- Package pricing is based on use of existing power point for NVR installation
- Positioning of CCTV cameras is at the discretion of the installation technician
- Positioning of NVR to be where existing modem or router is
- Remote viewing is dependent on internet accessibility
- For you to both receive your Westfield voucher, both installs are to be fully paid for

## GLOSSARY & DEFINITION

- Single Storey – Single (1) level dwelling above ground
- Small retail/factory- shop or retail space either alone or in a shopping centre.
- Factory- stand alone or multi unit.
- Residential- House with tiled roof, or roof access
- Large Retail/Factory- large showroom retail, more than 500 sq/m factory
- Split level – Floor levels are staggered, either running up or down hill
- Multi level – Second /Third level on top of the (1) level
- Tiled roof- roof tiles, not corrugated or flat
- Roof Access- actual space to run cables through

By installing CCTV,  
the criminals are  
less likely to act.
